

METAPHOR AUTOMATION CONSULTING

MUTUAL NON-DISCLOSURE AGREEMENT

Agreement Number: NDA-_____
Effective Date: _____

Parties

This Mutual Non-Disclosure Agreement (Agreement) is between Metaphor Automation Consulting (Metaphor) and _____ (Client).

1. Purpose

Evaluate or perform consulting, automation, AI, software, architecture, implementation, strategy, support, and related professional services while protecting Confidential Information.

2. Confidential Information

Covers nonpublic business, financial, customer, software, AI, technical, security, product, operational, and personal information disclosed in any form.

3. Exclusions

Information already known, public through no breach, lawfully received, independently developed, or approved for release.

4. Confidentiality Obligations

Use only for the agreed purpose; protect with reasonable care; limit access; prevent unauthorized disclosure; notify of security incidents.

5. Residual Knowledge

Metaphor may retain general skills, experience, methodologies, and know-how that do not reveal or reconstruct Client Confidential Information.

6. Aggregated & Anonymized Insights

Metaphor may improve internal methods and create anonymized benchmarks without identifying the Client or revealing confidential information.

7. AI & Data Handling

Restricts unauthorized AI training, public AI submissions, and misuse of confidential information while permitting approved enterprise AI use.

8–14

Required disclosure, ownership, no license, return/destruction, survival, no representations, and remedies apply as described in the Agreement.

15. Governing Law

State of Georgia.

16. Venue

Exclusive venue in Cobb County, Georgia, or the applicable federal court serving Cobb County.

17–23

Notices, independent contractor relationship, assignment, entire agreement, amendments, severability, counterparts, and electronic signatures.
